

What to Bring - Checklist

<input type="checkbox"/>	Hungry Dog	For example, if class is in the morning, please don't feed your dog his breakfast (only a few pieces). Your dog will earn his food during your 121/workshop/class and a hungry dog is an awesome student!
<input type="checkbox"/>	Kibble	Please bring the kibble, or equivalent, that is part of your dog's daily allowance of food. This will be used during training.
<input type="checkbox"/>	Indoor shoes	Please bring clean indoor shoes, outdoor shoes will not be allowed onto the astro turf.
<input type="checkbox"/>	Towel	A towel to dry your dog off prior to entering the arena and using the astro turf.
<input type="checkbox"/>	Mat/large towel	A large mat/blanket/towel to place under your bed or crate to catch and drop training food.
<input type="checkbox"/>	High value treats	Dried or hard treats your dog absolutely loves! These should be small pieces. Soft treats like cheese and chicken will not be allowed to be used on the astro turf.
<input type="checkbox"/>	Toys (if your dog enjoys play)	Toys your dog likes to play with (tennis ball, rope, tug toy) , if you have 2 of the same, please bring these. Please ensure your toys are clean for use on the astro turf. Resource: https://tug-e-nuff.co.uk/
<input type="checkbox"/>	Crate and/or bed	Crates – a wire crate is preferable to a soft crate, please also bring something to cover your crate. If your dog has great boundaries a crate is not necessary. Beds – raised beds are preferred as these give your dog a distinct boundary (we have a few raised beds you are welcome to borrow) You may also use your car during breaks if your dog will settle well in the car. <input type="checkbox"/>	Harness	A harness with front and back clip for training. At Devon Dogs, we use Xtra Dog harnesses Resource: https://www.postalpetsproducts.co.uk/
<input type="checkbox"/>	Double ended lead	Double ended leads give you a lot of options when using a Xtra Dog harness. Single clip leads are also good for training but please, no retractable leads and leads with chains. Resource: https://www.postalpetsproducts.co.uk/
<input type="checkbox"/>	More treats	Pack some extra food, just in case! You don't want to run out in the middle of 121/workshop/class :)

<input type="checkbox"/>	Water bowl	A water bowl for your dog to have a drink, this will not be allowed onto the astro turf.
<input type="checkbox"/>	Waterproofs/wellies	Is your class outside? You may be outside, please pack some waterproofs and wellies.
<input type="checkbox"/>	Shade/fan/cooling	If it is summer and your dog will be in your car, please make sure your dog can stay cool.
<input type="checkbox"/>	Snacks/lunch	Are you training with us all day? Don't forget to bring snacks and/or lunch!
<input type="checkbox"/>	Travel Mug	For workshops we will have the urn on, please bring a mug so that you can enjoy a hot drink.
<input type="checkbox"/>	Event specific items	Have you checked your event page at devondogs.co.uk/events ? For some workshops, you may need specific items such as a retrieve object, head collar...please check the event page.
